# Reservation Basics

- New customers will be required to create an account on the reservation system.
- A \$12 reservation fee is charged per campsite booked and covers the cost of administering the system. An additional \$2 call centre surcharge is charged for all transactions processed through the call centre. These reservation fees are non-refundable.
  - E.g. If you book two different campsites, you will be charged two reservation fees.
- Full payment is required at the time of booking. Acceptable payment methods are Visa, Mastercard, Visa Debit, Mastercard Debit, and eGift card. Cash and Interac Debit accepted in-park as well.

5

All launch days will begin at 7:00 a.m. CST each morning. Please refresh the website at 7:00 a.m.

A queuing system will only be activated when the threshold of people on the site is reached, meaning you will enter a “virtual waiting room” and will be released back to the reservation site on a “first-in, first-out” order, maintaining the integrity and fairness of the process.

6

Camping Terms and Conditions can be found on confirmation letters and are also posted on the reservation website, [parks.saskatchewan.ca](https://parks.saskatchewan.ca)

**Don't forget**, you can use the following features to help plan your next stay at a Saskatchewan provincial park:
